Jersey College will review the most recent Institutional Student Information Report (ISIR) received from the United States Department of Education. ISIRs are received after students complete a Free Application for Federal Student Aid (FAFSA). FAFSAs are completed for a specific award year and Jersey College often receives multiple Award Year ISIRs for each student as changes are made by the student to their respective FAFSA.

For eligible enrollment statuses, Jersey College will use a student's EFC score from the last ISIR received prior to disbursement. Jersey College will review both the 2019-2020 and 2020-2021 award year ISIRs and select the last one received. ISIRs selected for verification by the US Department of Education must be completed by the student prior to disbursement. Students in this group must have a '19-20' or '20-21' ISIR on file by 11:59pm on March 26, 2021.
